Current Employment

August 2017 - Present - Film Producer - Edinburgh Napier University

I am currently responsible for the content creation of video content within the Marketing and External Relations department. Other responsibilities include creating and distributing creative briefs, scriptwriting, maintaining equipment and contributing to the overall creative marketing strategy.

January 2016 - Present - Co-Founder and Director - One More Stone Productions

One More Stone is an independent production company dedicated to the self funding, writing and production of narrative short film in Scotland. I am responsible for the creative direction of all short film projects, as well as crafting the overall vision for the company. This includes tone of voice, social media strategy, film festival submissions and fundraising and budget distribution. We have produced six short films in two years, has won a number of awards and have had our films screened locally and internationally.

Previous Employment

April 2016 - July 2016 - Videographer - makemeafilm.com

Responsibilities included designing, writing, directing and editing creative content into short video format to be distributed online or externally for marketing purposes. Clients include the University of Glasgow, the British Heart Foundation and SAAS.

May 2015 to April 2016 - Videographer - Apex Training and Development.

Responsibilities included designing, writing, directing and editing creative content into short video format to be distributed internally for employee training purposes, or externally for public consumption. Clients include Pizza Hut Restaurants, Petrofac Oil and Gas, British American Tobacco and RS Components. "Hut TV", developed for Pizza Hut, was awarded the Best Use of Technology titles at the 2015 CIPD Awards.
